At the time a winning team gains a lead of thirty (30) or more points during the second half of a game, the clock will not be stopped (except for a time out, technical foul, injury, or emergency – clock starts when ball is legally touched after dead ball is in-bounded) until the trailing team brings the point difference to twenty (20) points or less.

5.10 No-Press Rule:

The following rules are established for full-court press:

5.10.1 At the time a 2nd, 3rd, or 4th grade winning team gains a lead of twenty (20) or more points during the second half of a game, they must play defense behind the half-court line. A first offense will result in a Warning. A second or subsequent offense will result in a 2-shot Administrative Technical Foul.

5.10.2 At the time a 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th grade winning team gains a lead of thirty (30) or more points during the second half of a game, they must play defense behind the half-court line. A team's first offense will result in a Warning. Any team's second or subsequent offense will result in a 2-shot Administrative Technical Foul.

5.11 Pool Play Tiebreaker Order:

Ties after completion of pool-play games will follow the tie-breaker order listed below:

5.11.1 Tiebreakers in which two (2) teams are tied, head-to-head competition between the teams will determine the winner.

5.11.2 Tiebreakers in which more than two (2) teams are tied, a point differential system will be applied. The point differential of the teams involved in the tie is totaled. Teams are then ranked according to the sum of the point differential with the highest number placing first, the second highest placing second, etc. Teams will receive a maximum of +15 points for a win and a maximum of -15 points for a loss (including forfeits).

5.11.3 If two (2) teams are still tied after the application of (5.11.2), the tie will revert back to (5.11.1).

5.11.4 If more than two (2) teams are still tied after the application of (5.11.2), the point differentials of the teams not involved in the tie are added, and the results recalculated.

5.11.5 If two (2) teams remain tied after the application of (5.11.4), the tie will revert back to (5.11.1).

5.11.6 If more than two teams remain tied after the application of (5.11.4), then a total defensive point system will be used. If two teams are still tied, they would revert to the first tiebreaker system. Example: Team A is 2-1 with wins of 56-32 & 64-45 and a loss of 56-64. Total defensive points determined are 141. Repeat the same procedure for the remaining two teams. The team with the lowest points allowed will determine the teams' order of placement. If two (2) teams remain tied after defensive points are calculated, revert back to (5.11.1).

5.12 Uniforms:

All teams must adhere to the following uniform guidelines:

5.12.1 All teams must have either reversible jerseys (one light color side and one dark color side) or two sets of jerseys (light set and dark set).

5.12.2 The home team in each game will wear light-colored jerseys.

5.12.4 International rules will apply to numbers; any number from "00" to "99" is permissible.

5.12.5 Numbers are required on both sides of the jersey. Numbers must be at least two (2) inches on front of jersey and at least four (4) inches on back of the jersey.

7.0 QUALIFYING PROCEDURES

7.1 Invitational Tournaments:

Invitational Tournaments are non-qualifying events that have been approved and sanctioned by the National Headquarters. YBOA has found that keeping these tournaments on an individual-type basis helps to ensure the quality of the teams participating. In states where the Qualifying Tournaments are large, Invitational Tournaments can be used to help seed the competition for the Qualifying Tournament.

7.2 State Qualifying Tournaments:

State Qualifying Tournaments are events that have been approved and sanctioned by the National Headquarters for the purpose of qualifying a team for an area's State Championship.

7.3 State Championship Tournament:

Qualifying for the National Championship Tournament varies by state. Please contact your State/Area Director for more information. Each team may only qualify for the National Championship through one State Championship Tournament. Only teams that reside in the state of their State Championship are eligible to qualify for the National Tournament except as outlined in YBOA Rule 7.4.

7.4 Cross-State Qualifying:

Qualifying for the National Championship from a State Championship Tournament other than a team's registered state requires written approval. These requests are only considered in unique circumstances or situations in which extreme distances to participate are not reasonable in comparison to a team's geographical location. Contact the YBOA National Headquarters for additional information.

7.5 Regional/Super Regional Championship Tournament:

A tournament held in a specific region of the country with the purpose of qualifying teams for the National Championship. Teams that earn a bid to the National Championship in these events must still participate in their respective State Tournament (if their state has a qualifying tournament) to qualify for the National Championship. There are no boundary or border restrictions for teams participating in a Regional/Super Regional Championship Tournament.

7.6 National Championship Tournament:

The National Championship Tournament is for teams that have qualified through their own State or Regional/Super Regional Championship or who have received an approved At-Large Bid.
